[84] Celia (Female): "What can I do for you today?"

[153] Player: "Grimm asked me to check with you about his tossball poster."

[88] Player: "Never mind."

[155] Celia (Female): "You know, sending you is the first bright idea I've seen from that man. Because I told him to stop bothering me about it a week ago."

[156] Celia (Female): "I still don't know anything about it. But if you want to help him, Velma's the one to ask. She's in the warehouse."

[166] Celia (Female): "But I'll warn you, Grimm wore her patience thin a long time ago."
