Publications Received

Books listed below that are marked with a †
have been selected for review in a future
issue, and reviewers have been assigned to
each.

Authors and publishers who wish their
publications to be considered for review in
Computational Linguistics should send a copy
to the book review editor, Graeme Hirst,
Department of Computer Science, University
of Toronto, Toronto, Canada M5S 3G4. All
relevant books received will be listed, but
not all can be reviewed. Technical reports
(other than dissertations) will not be listed
or reviewed. Authors should be aware that
some publishers will not send books for
review (even when instructed to do so);
authors wishing to inquire as to whether
their book has been received for review may
contact the book review editor.

Readers who wish to be considered as book
reviewers for the journal should contact the
book review editor, outlining their qualifica-
tions, by e-mail at gh@cs.toronto.edu or at the
address above.
