

Erratum

In the article “Exploring Word Formation Trends in Written, Spoken, Translated and Interpreted European Parliament Data – A Case Study on Initialisms in English and German” by Katrin Menzel that appeared in the Proceedings of the IV Workshop on Creating, Analysing, and Increasing Accessibility of Parliamentary Corpora (ParlaCLARIN) @ LREC-COLING 2024, Figures 3 and 4 on p. 62 were swapped during the final revision. The correct figures with the correct captions are as follows:

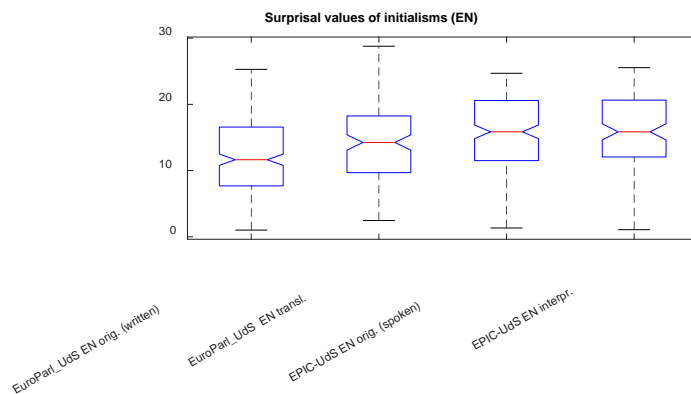

Figure 3: Surprisal values of initialisms in English

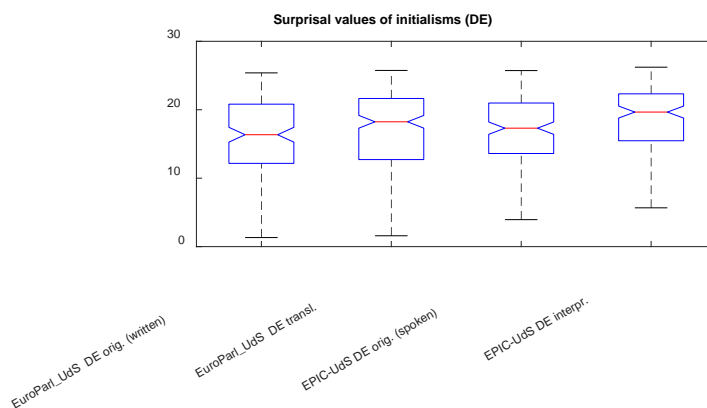

Figure 4: Surprisal values of initialisms in German
