

Erratum

In the review of *Progress in Speech Synthesis*, edited by Jan P.H. van Santen, Richard W. Sproat, Joseph P. Olive, and Julia Hirschberg, that appeared in *Computational Linguistics* 24(3), the editors' affiliation was wrongly listed. At the time the book was published, all four editors were at AT&T Bell Laboratories.

(The first three editors are at now Lucent Technologies Bell Labs, and the fourth editor is at AT&T Research.) .
