

[9] Berthold Fox (Male): "Hey, Mantiqueen Slayer.
Glad you made it in one piece. After all, not
everyone's so lucky."

[10] Berthold Fox (Male): "Meet my Corporate
Compliance Crew. Then check out our weapons locker
inside. I reckon you'll find something you like. "

[21] Berthold Fox (Male): "Then we call it even
between us."

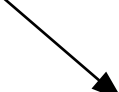

[13] Player: "I'll keep an eye out for that."

[36] Player: "Kind of odd for a group of mercs to
label themselves as a corporate entity."

[37] Berthold Fox (Male): "The corporate model is
the oldest and most efficient, not to mention
stable, structure history has ever shown us. Plus,
corporations got certain rights not entailed to
individuals."

[38] Berthold Fox (Male): "I lead the C3s. Addie
covers our payroll and expenditures. Lance handles
the human capital, and Donald is our charming
public face."

[44] Berthold Fox (Male): "Our system works -
we've racked up more confirmed kills than any
other crew you can hire."
