Correction to Figure 22, Mehryar Mohri, "Finite-State Transducers in Language and Speech Processing"

We would like to correct an error in *Computational Linguistics* 23:2. On page 306 of that issue, in the article by Mehryar Mohri entitled "Finite-State Transducers in Language and Speech Processing," Figure 22 was incorrect, due to a production error. The correct version of Figure 22 appears below. We deeply regret the error.

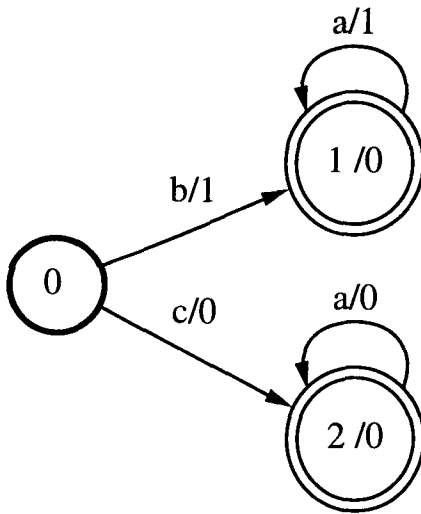

Figure 22
Subsequential power series X nonbisubsequential.
