## BOOKS RECEIVED

Authors and publishers who wish their books to be considered for review in **Computational Linguistics** should send a copy to the book review editor,

Graeme Hirst  
Department of Computer Science  
University of Toronto  
Toronto, Canada M5S 1A4.

All books received will be listed, but not all can be reviewed.

Readers who wish to review books for the journal should write to the book review editor outlining their qualifications. Obviously, we cannot promise the availability of books in anyone's exact area of interest.
