

Membership List

Following is a listing of the 1983 members of the Association for Computational Linguistics as of the time Issue 3-4 of the AJCL went into production. Personal members are listed first, ordered alphabetically by last name. Institutional members follow, ordered alphabetically by country, province (for Canada), city, and then institutional name; for the United States, the sorting is by ZIP-code.

Wanted: Addresses for the members whose names appear at the end of the Personal Members listing. Information should be forwarded to the ACL Secretary-Treasurer.
