Publications Received

Books listed below that are marked with a † have been selected for review in a future issue, and reviewers have been assigned to each.

Authors and publishers who wish their publications to be considered for review in *Computational Linguistics* should send a copy to the book review editor, Graeme Hirst, Department of Computer Science, University of Toronto, Toronto, Canada M5S 3G4. All relevant books received will be listed, but not all can be reviewed. Technical reports (other than dissertations) will not be listed or reviewed. Authors should be aware that some publishers will not send books for review (even when instructed to do so); authors wishing to inquire as to whether their book has been received for review may contact the book review editor.

Readers who wish to be considered as book reviewers for the journal should contact the book review editor, outlining their qualifications, by e-mail at *gh@cs.toronto.edu* or at the address above.
