March 1991 Volume 17, Number 1

Computational Linguistics

Articles

Co-occurrences of Antonymous Adjectives and Their Contexts — John S. Justeson and Slava M. Katz — 1

Lexical Cohesion Computed by Thesaural Relations as an Indicator of the Structure of Text — Jane Morris and Graeme Hirst — 21

met*: A Method for Discriminating Metonymy and Metaphor by Computer — Dan Fass — 49

Technical Correspondence

Techniques for Automatic Memoization with Applications to Context-Free Parsing — Peter Norvig — 91

Book Reviews

Theory and Practice in Corpus Linguistics
Jan Aarts and Willem Meijs (eds.) — *Reviewed by* Kenneth Ward Church — 99

Functional Grammar and the Computer
John H. Connolly and Simon C. Dik (eds.) — *Reviewed by* Norman Fraser — 104

A Computational Model of Metaphor Interpretation
James H. Martin — *Reviewed by* Dan Fass — 106

Practical SGML
Eric van Herwijnen — *Reviewed by* Carol Van Ess-Dykema — 110

Books Received — 117

Author Index, Volumes 6–16 — 119

Title Index, Volumes 6–16 — 126

Published Quarterly by the MIT Press for the Association for Computational Linguistics

Computational Linguistics ISSN 0891-2017

Editorial Board Members
1989–91:

Robert J. P. Ingria, BBN Systems & Technologies Corporation
Christopher S. Mellish, University of Edinburgh
Jeffry Pelletier, University of Alberta
Martha Pollack, SRI International
Patti Jo Price, SRI International
Masaru Tomita, Carnegie Mellon University
Mary McGee Wood, University of Manchester

1990–92:

Susan Warwick, University of Geneva
James Pustejovsky, Brandeis University
Stuart Shieber, Harvard University
Kenneth Church, AT&T Bell Laboratories
Robert Moore, SRI International
Julia Hirschberg, AT&T Bell Laboratories

1991–1993:

Eduard Hovy, USC/Information Sciences Institute
Paul Jacobs, General Electric
Robert Kasper, Ohio State University
Diane Litman, Columbia University
Graeme Ritchie, University of Edinburgh
Richard Sproat, AT&T Bell Laboratories
Oliviero Stock, Institute for Scientific & Technological Research

Copyright ©1991 by the Association for Computational Linguistics. The following code, 0891-2017/91, indicates the copyright owners' consent that a single copy of an article may be made for personal use. The consent is given, however, on the condition that the copier pay the stated per-copy fee of $3.00 through the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, for copying beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Managing Editor at the address given on the inside front cover of this issue.

Computational Linguistics is abstracted and/or indexed in the following publications: *Annual Review of Information Science and Technology, Computing Reviews, Current Contents: Social and Behavioral Sciences, Knowledge Engineering Review, Language and Language Behavior Abstracts, Linguistic Abstracts, Linguistic Bibliography, Science Abstracts* (INSPEC Section C), and *Social Science Citation Index.*

Volume 14 and subsequent volumes of *Computational Linguistics* are available on microfilm through University Microfilms International, 300 North Zeeb Road, Ann Arbor, MI 48106, USA.

Individual Subscriptions to *Computational Linguistics* are available only with membership in the Association for Computational Linguistics (ACL). Annual membership dues are as follows: regular, $25.00; full-time student with current student ID, $15.00; joint for couples with one subscription, $30.00. A membership application together with an order form for back issues and conference proceedings is included at the end of this issue. Send membership applications and address changes to Dr. Donald E. Walker (ACL), Bellcore, MRE 2A379, 445 South Street, Box 1910, Morristown, NJ 07960-1910, USA. However, note that it is also possible to pay in other currencies through banks in Switzerland and Japan.

Institutional Subscriptions are $70.00. Outside the U.S. add $14.00 postage and handling. Canadian subscribers also add 7% GST. Send institutional subscription orders and address changes to MIT Press Journals, 55 Hayward Street, Cambridge, MA 02142-1399, USA. To be honored free of charge, claims for missing copies must be made immediately upon receipt of the next published issue. Institutions should order back issues (before 1988) and all proceedings from the ACL at the address above.
